

This dynamic and interactive learning series is designed for educators who are considering, or preparing for, formal leadership roles. Grounded in the BCPVPA Leadership Competencies, **Explorations for Aspiring Leaders** offers a focused and supportive environment where emerging leaders can deepen their understanding of school leadership and expand their professional capacity.

Through **four Saturday morning sessions**, participants will explore essential leadership mindsets and practices:

Day 1

Growing Capacity of Self and Others

Delve into *Leading Change* and developing a *Fiduciary Mindset* that inspires trust and stewardship.

Day 2

Stewardship for the Future of All Children

Explore how to shape positive learning environments through *Culture Building* and fostering *Psychological Safety*.

Day 3

Fostering Curiosity & Inquiry

Engage with *Data-Driven Dialogue* and create space for *Professional Growth* in your learning community.

Day 4

Contextual Literacy & Agency

Build leadership agility through *Consensus Building* and deepen your understanding of the *Role of the BCPVPA*.

A throughline of *Bridging Policy and Practice* connects all four sessions, helping participants translate leadership theory into meaningful action.
