YOU'VE GOT THIS

Digital Classroom Resources Licensed by your School District

Teachers and students in your schools have access to a comprehensive collection of educational resources aligned with BC curriculum. Educators will find video-rich content, classroom ready lessons, and a range of digital tools to support students in learning across K-12.

Principals, Vice-Principals and teachers can have confidence that students are engaging with curated, quality digital resources, available from school and home, through your school district's licensing of the Digital Classroom collection. View resources in both English and French. Explore Canadian and BC-specific content, with the inclusion of Indigenous knowledge and perspectives.

Easy to Access
Direct online access from school sites; no log-in required.

Trusted Resources
Resources are curated, evaluated or selected to support teaching and learning.

Relevant for BC Schools
Many resources include Canadian, BC specific, French language and Indigenous inclusive content.

Ready for the Classroom
There are tools for differentiation and text-to-speech. Research supports include citation builders, topic finders and inquiry guides.

Supports the School Community
Students, supported by parents, have access to most resources from home including e-books.
