Changes to the Retirement Extended Health Plan

The Teachers' Pension Plan Board recently announced changes to the health coverage offered in retirement. We wanted to ensure that BCPVPA members were informed and are aware of these changes so they can plan accordingly.

A summary of the changes to the retirement extended health plan is available [here](#).

Members are also reminded that the [TPP website](#) contains lots of detailed information related to retirement and pension.

Your Member Support Services (MSS) team is always here to support you should you encounter any unexpected challenges in your employment, or for professional guidance. We can be reached by email at mssinfo@bcpvpa.bc.ca
