New Year Reminders - TRB/TPP Contact Info

As a new year begins, members are reminded to ensure that their contact information is up to date in relevant accounts and databases - including the Teachers' Pension Plan and the Teacher Certification accounts (TRB).

This is especially important if a member has recently changed districts and uses their district email as their primary contact.

Important information from accounts such as these will be sent to the email address listed in your profile.

Any questions can be directed to the MSS team at mssinfo@bcpvpa.bc.ca
